

**ePRO**

*ePRO* is an end-to-end solution for managing procurement and purchases of goods and services at your business.

From Vendor registration and up to creating your Request for Quotation (RFQ) or Request for Proposal (RFP) *ePRO* helps you in taking care of every step in the procurement life cycle with ease and efficiency.

**Direct purchase orders, approve orders, dispatch orders, receive goods, match invoices and issue system reports, and much more.**

**Online PO acknowledgement, Tracking and Supplier ETD updates.**

**Quick bid analysis to make preferable decision.**

**System generated notifications on Approval Workflow, RFQ's, PO Acknowledgements, PO due dates, Shipment details, Material / Service Receipt.**

**Supplier evaluations and re-evaluations through system.**

**Dynamic reporting tools including Dash boards for management reviews.**

**Automated PO release to Supplier based on ultimate Approver authority.**

**Integrated with MS Outlook for email notifications and request approvals.**
